

RHYTHM IS RHYTHM

Presented in association with Midnight Co, Soul Alphabet, Netwerxx, Nani Creative & M33t

Join us for a shared art experience imagining Bla(c)k futurism.

Evolving out of Boorloo's late-night community collectives, Rhythm is Rhythm celebrates the sounds and stories that are pushing boundaries. Rhythm is more than a dancer at this night, it's a full arts immersion.

With accessibility and safer spaces at the forefront, this gathering features an eclectic line-up prioritising queer Bla(c)k and PoC artists. Celebrate the local nightlife and club scene with djs sets, live performers, video and art installations.
