### LEVIATHAN

Under the direction of Yaron Lifschitz, Circa's renowned artists joins local circus performers, dancers and young people to push the limits of human possibility in this world-premiere circus event. The Brisbane company behind past Perth Festival hit shows *Opus*, *Beyond* and *How Like an Angel* take the art of circus in an exciting new direction as 36 performers hang from a grid suspended in the air and propel themselves across the stage, tumbling, balancing and soaring together.

The dramatic power and extreme skill of Circa's trademark acrobatics thrillingly expose the tension between the mass and the individual in this deeply moving and physically stunning show. In these complex times, *Leviathan* offers hope by celebrating what we can achieve when we work together.
