**RIVER SPEAKS OF OUR EVER-PRESENT PAST**

**Witness Stand**

**Created by Madeleine Flynn, Tim Humphrey, Barry McGuire and Kylie Bracknell**

**A PERTH FESTIVAL COMMISSION**

**WORLD PREMIERE**

Cr. Cam Campbell and Bosco Shaw

Across a city connected by its river, **Witness Stand** is an invitation to sit, listen and reflect together at special sites of cultural and historical significance along the banks of the Swan.

On a series of tiered seating stands from Mandoon (Guildford), to Walyalup (Fremantle) and out to the ancient mouth of the river at Wadjemup (Rottnest Island), audiences can sit and experience sound works that tell the timeless stories of Whadjuk Noongar country and the interruptions of colonisation.

*Witness Stand* is the latest **Perth Festival** commission from **Madeleine Flynn** and **Tim Humphrey**, the artists behind the 2019 Festival's celebrated **Five Short Blasts** oral-history boat tour of the lower reaches of the Swan River. *Five short Blasts* was described by [The West Australian](#) as 'a profound listening experience that opens participants to a deeper engagement with the Swan River, its estuary and port, highlighting its geological, cultural and economic importance and the way it is treasured in people's everyday lives'.

For *Witness Stand*, Flynn and Humphrey will be working with Noongar artists **Barry McGuire** and **Kylie Bracknell** and other Noongar storytellers, along with local composers, sound artists and musicians **Clint Bracknell**, **Chris Cobilis**, **Tessa Darcey**, **Rachael Dease**, **Alice Humphries**, **Mei Swan Lim**, **Della Rae Morrison**, **Kobi Morrison**, **Cathie Travers** and **Benjamin Witt**.

*Witness Stand* invites audiences to consider the Derbarl Yerrigan as a source of life as we celebrate the 2021 theme of **Bilya** (river) this summer.

Perth Festival Artistic Director **Iain Grandage** said *Witness stand* was paradoxically both a large-scale and intimate work spanning the entire length of the river while providing the listener with an evocative, reflective encounter with each setting.

‘Sitting on the banks of the river listening, you will have a sense of quietude as you bear witness to the magnitude of the sky and the glory of the river while learning about the rich histories of this place, and adoring it even more for that deeper understanding.’

This project’s development has been assisted by the Australian Government through the Australia Council, its arts funding and advisory body; Dark MOFO; Live Umbrella Finland; Vitalstatistix and the APRA/AMCOS Art Music Fund. Produced by Bureau of Works and supported by Spinifex.
